

On behalf of the Lower Silesian Federation of NGOs, which runs Center 'na Przedmieściu', we invite you to participate in integration and intercultural activities!

From September 15 to December 15 this year the Federation's team carries out two projects:

1. "We discover talents and passions, co-creating open Wrocław and strong local communities!"
2. "We strengthen intercultural competencies in Wrocław!"

The tasks are carried out under the United Nations International Children's Emergency Fund (UNICEF).

In the Center 'na Przedmieściu' (Prądyńskiego str. 39a) there is already an open meeting place for children and youth run by experienced animators.

You can find the regularly updated schedule of project activities available at the link below [September_December_DFOP_Unicef](#)

We are currently accepting applications from children and adults for a series of artistic, sports, and social skills workshops.

Please contact the animators:
